RE: Curbside Collection Carts July 2025

The Regional District of Okanagan-Similkameen (RDOS) will be supplying three (3) carts to all homes receiving curbside collection service. The carts will be supplied to RDOS Electoral Areas and the Village of Keremeos beginning in June 2025. The carts are for garbage, recycling, and yard waste collection.

Open House events are scheduled across the Regional District to provide more information and answer questions. Presentations will take place approximately 15 minutes after the event start time. For a list of Open House event dates, please visit the [Curbside Collection](#) project page on the RDOS Regional Connections website at rdosregionalconnections.ca.

Standard size carts, which suit the needs of most residents, will be delivered in June. If the standard size cart does not meet your needs, you can request larger or smaller carts by completing a **cart change-out form**. The form will be available at the open house events and online at rdos.bc.ca and rdosregionalconnections.ca. You can also contact the **RDOS Solid Waste Hotline** at **250-490-4129** to request information about carts and additional costs. If you have multiple properties or units receiving curbside collection and wish to change the cart supplied in the standard package, you will need to complete a cart change-out form for each property or unit.

For further information, please email solidwaste@rdos.bc.ca or call 250-490-4129. A high volume of calls is anticipated, RDOS staff will return messages within two business days.
