

The homework for **August 4th** is to complete the worksheets from each of the deep dive meetings.

These cover all of the sections in the current OCP and is your opportunity to provide input for changes that you think should be included in the new draft OCP.

At the **August 4th** meeting, you will be divided into focus groups to discuss your homework and add any last thoughts.

The focus groups will be divided by topic. As a reminder, we have discussed:

- Deep Dive 1: Housing, affordability, vacation rentals, economic development
- Deep Dive 2: Liquid Waste Management Plan, public health, water system
- Deep Dive 3: Environment, culture, parks and recreation, climate change, agriculture
- Deep Dive 4: Street lighting, solid waste, compost, bear smart, electrical, gas, subdivision, roads, drainage, emergency preparedness, FireSmart, transit
- Deep Dive 5: Regional Growth Strategy, infill capacity

The Planner will use this feedback to help write a first draft of the updated OCP. The next time we meet will be to review and offer feedback on parts of the draft.

You will participate in two (2) focus groups on August 4th. Please select your preferred topics below.

Name: _____

My preferred topics for discussion, starting with the most important for me, are:

1. Deep Dive # ____; specific topic(s): _____
2. Deep Dive # ____; specific topic(s): _____
3. Deep Dive # ____; specific topic(s): _____
4. Deep Dive # ____; specific topic(s): _____

I cannot use the digital copies of the worksheets; please print me copies to pick up from the RDOS office _____ (yes/no)
