Christmas Restored

A Free Christmas Market for Families Affected by the Bald Range Wildfire

★ AN INVITATION FOR YOUR FAMILY ★

Come choose your Christmas

This Christmas market was set up with your family in mind.

There is no charge for anything you choose.

After all this year has asked of you, we'd love to give your family a warm, unhurried place to get ready for Christmas. If you lost your home in the Bald Range Wildfire, you and your family are our invited guests. Come find what will make this Christmas feel like your own.

Saturday, November 21 · 11 am to 4 pm

Summerland Baptist Church · 10318 Elliott Street, Summerland

Bring the whole family for warm drinks and Christmas treats, with live Christmas music at a quarter past each hour.

★ Take your time

Browse and pick out what your family will love. It's all yours at no cost, and volunteers will help carry it to your car.

★ Set out with care

Lights, ornaments, stockings, wreaths, table settings and more, each piece checked and ready to enjoy.

★ A brand-new tree

Every family will take home a brand-new artificial tree, ready to decorate together.

Register your family

Please register by Sunday, November 8

Registering helps us get ready to welcome your family on market day.
